Detroit, Michigan

Dear Mr. Gilliland,

Receipt of signed contracts of players, Charles F. Gunther and Keith A. Allswede is hereby acknowledged. (If Allswede lives up to the expectations of the 30,000 Swedes in this town, he will be the most popular ball-player in Jamestown's history!)

Have been snowed in at a farmhouse about 30 miles from the city for the past two days and your correspondence regarding tryouts for various boys that have been referred to you remains unanswered. Will contact these boys the next few days and will make a report to you on what progress I make.

Harry Wilson has signed his contract and returned it to this office. Thank you for your letter to him.

Copy of Banchiu's bonus is hereby enclosed.

Very truly yours,

Jamestown Baseball Club
