Chautauqua Sports Hall of Fame Induction Process FAQ's

1. Who can be inducted into the CSHOF?

For induction into the Chautauqua Sports Hall of Fame, a nominee must have been born in, lived in, or achieved in Chautauqua County a name in the world of sports.

Our inductees are from Brocton to Busti, from Clymer to Conewango, from Fredonia to Frewsburg, from Panana to Pine Valley, from Silver Creek to Sherman and from all points in between.

The nominee must meet at least one of the following criteria:

- Is or was an outstanding athlete in high school, college, amateur or professional sports.
- Is or was a coach, manager, official or administrator who has made a significant contribution to sports.
- Is an individual who is performing or has performed distinguished service in fostering, developing or effectively helping a sport to prosper.

2. How many inductees are in the Hall of Fame and what sports are represented?

There are currently 139 inductees in the CSHOF from a wide diversity of sports including: auto racing, baseball, basketball, bowling, boxing, canoeing, football, golf, hockey, horseshoes, ice skating, motorcycle racing, pool, rowing, roller skating, shooting, sled dog racing, softball, swimming, tennis, track and field, volleyball, weightlifting and wrestling.

3. Who can make a nomination?

The CSHOF receives nominations from the public. A nomination form is available from secretary Russ Ecklund at 484-7684 or downloadable at

www.chautauquasportshalloffame.org/forms/nomform1.pdf

4. What else needs to be submitted with the nomination form?

It is necessary that all supporting documentation be submitted with the nomination form. The CSHOF does not do any research of its own. We totally rely on the nominator to provide all pertinent information. In addition to a biography of the candidate, copies of scrapbooks, yearbooks, newspaper clippings, magazine articles and photographs are extremely valuable in presenting the qualifications of the nominee.

5. Who decides which nominees are inducted?

The process begins in September of each year when a pre-selection committee, comprised of CSHOF directors, carefully reviews the files of all nominees of record. The pre-selection committee then submits a slate of 15 possible candidates to the selection committee.

In November, the selection committee, comprised of different CSHOF directors, narrows the list of 15 nominees to a final list of candidates, generally four to six, which it forwards to the full board of directors.

Finally, the entire 30-member board of directors reviews the recommendations of the selection committee and makes the ultimate decision on who will be inducted.

The announcement of honorees is made annually in December.

6. Is it necessary to re-nominate someone each year?

No, once a candidate is nominated, the file remains active indefinitely. It is reviewed annually. Additional information to enhance a file is always welcome.
